8<sup>th</sup> July 2015

Dear Parents,

I am delighted to send home your child's end of year report for the academic year 2015-2016. Our teachers have put in a lot of work on their class reports, which summarise your child's performance and effort this year. In addition, we have included a curriculum map for the academic year 2015-16 so that you are informed about what areas your child has been learning throughout this year.

The attainment grades EMG, EXP and EXC give you a clear indication about whether your child is working below, within or above the attainment expected for their age.

Having read every report, I am, once again, extremely pleased with the progress the children have made and the amount of effort they have put into their learning. This should be a time for celebration of the work carried out by the children, staff, parents and governors. Please note, the attendance figures in your child's report are calculated from 7<sup>th</sup> September 2015 to 22<sup>nd</sup> June 2016.

Year 2 parents will also receive with their report, their child's teacher assessment levels which have been submitted to the DfE. These are a combination of teacher assessment and their test score.

Year 1 parents will also receive confirmation about whether their child has passed the Year 1 national phonics test.

Year 6 parents will receive their child's teacher assessments results and their SATs tests results.

Reception parents will also receive a report from our EY data system.

We would be grateful if you could return the reply slip below to confirm your receipt of the report and add any comments you would like to make about your child's report or about the new format.

Yours sincerely,

Miss S Clarke  
Headteacher
