Parent's information evening/ workshop

Dear Parents,

Firstly, I would like to thank all parents who attended the 'Meet the Teacher' sessions at the start of term and hope you found them useful.

As mentioned at the meetings and on the summer newsletters, we will be holding an information evening/ workshop on Thursday 6th October, 7:00- 8:30pm in the school hall.

The meeting will involve a presentation on our curriculum at St Chad's, including how our topics are organised and taught. In addition, we will be discussing the teaching of: Phonics and Reading (both at school and home), Writing (including grammar and spelling) and Maths calculation methods that we teach. Refreshments will be served to help us along with the evening.

This is an important opportunity for you to develop your understanding of how the National Curriculum, English and Maths are taught in our school. We hope that as many parents and friends as possible attend. In order to give us an idea of numbers and how many packs we need to prepare, we request that you complete and return the slip below as soon as possible. If you do not reserve places, you are still welcome to attend on the evening.

I look forward to meeting you all on the evening.

Yours sincerely

Miss S Clarke
Headteacher
