20th October, 2016

Dear Parents,

We are very proud of our fundraising achievements here at St Chad's and believe that where possible we should help those less fortunate than ourselves. Every time we ask parents to support us, I am overwhelmed by the response and kindness received.

Our fundraising programme consists of supporting local charities in the autumn term, national charities in the spring term (usually Sport/ Comic Relief) and international charities in the summer term.

This term so far we have already supported The Salvation Army with our food collection at Harvest, and we raised money for Macmillan through our coffee sessions.

We would not normally ask for further fundraising this term, but we have received a special request from the Children's Intensive Care Unit at The Royal Stoke Hospital. They are trying to raise £60000 for a new Heart Scanner, which will hopefully save the lives of many children.

We would dearly like to support this request and have decided to ask for your help.

Starting next half term, we will present a new 'class bear' to the 'best class' of the week. The class will keep the bear in their classroom for the week and look after him!

However, our bear does not yet have a name. So we thought why not ask the children and try and raise money for the hospital at the same time? Therefore, we are asking for children to submit a name for the bear and make a donation of £1.00 (or more if you wish!) toward the Heart Scanner appeal. The best name will be selected at the end of the first week back.

We hope you will support this worthy cause.

Yours sincerely,

Miss Clarke
Headteacher

Donation for The Royal Stoke Hospital/ Class Bear nominations

Child's name _____

Class _____

My name for the 'Class Bear' is _____

I enclose £ _____ towards the Heart Scanner appeal.
