'Building together for a better future.'

AIM

The aim of this policy is to set out what charges will be levied for school activities, external lettings and extended school provision, what remissions will be implemented and the circumstances under which voluntary contributions will be requested from parents. Guidance is based on the Education Act 1996: Sections 449 - 462.

Sinking Fund - a reserve put aside over a number of years to pay for major maintenance or renewal costs.

PROHIBITION OF CHARGES

The Governing Body of the School recognises that the legislation prohibits charges for the following:

- Education provided during school hours (including the supply of any materials, books, instruments or other equipment).
- Education provided outside school hours if it part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupils I being prepared for at the school, or part of religious education;

- Entry for a prescribed public examination, if the pupil has been prepared for it at the school;
- Education provided on any trip that takes place during school hours;
- Education provided on any trip that takes place outside of school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of the schools basic curriculum for religious education;
- Supply teachers to cover for those teachers who are absent from school accompanying pupils on a residential trip;
- Transport registered pupils to or from the school premises, where the local education authority has a statutory obligation to provide transport.
- Transporting registered pupils to other premises where the governing body or local education authority has arranged for pupils to be educated;
- Transport that enables a pupil to meet an examination requirement when he has been prepared for that examination at the school.

- Transport provided in connection with an educational trip.

CHARGES

- (a) Board and lodging on residential visits (not to exceed the costs)
Children who attend any residential trips that the school undertakes would be expected to pay the full cost where applicable.
- (b) The proportionate costs for an individual child of activities wholly or mainly outside school hours (optional extras) to meet the costs for:
 - Travel
 - Material and equipment
 - Non teaching staff costs
 - Entrance fees
 - Insurance costs
- (c) Individual or group tuition in the playing of a musical instrument. **Cost of hire of any music instruments.**
- (d) re-sits for public examinations where no further preparation has been provided by the school
- (e) costs of non-prescribed examinations where no further preparation has been provided by the school
- (f) Any other education, transport or examination fee unless charges are specifically prohibited.
- (g) Breakages and replacements as a result of damages caused wilfully or negligently by pupils. *The governors recognise that there maybe circumstances where wilful damage may have been caused and therefore consider it reasonable to ask for a financial contribution.*
- (h) Extra curricular activities and school clubs. *Under normal circumstances the governors commend the staff for their additional time spent to provide activities out of school. These activities are voluntary and free of charge unless there is an additional cost incurred by the club for materials which the children will then be asked to contribute to. Some clubs are run by staff from the school; however should a private provider enter into an arrangement with the school then it is considered acceptable for charges to be made on the condition that the provider meets all the required regulations.*
- (i) Letting of the school premises or grounds. *Any external agency wanting to use the school or grounds will be charged a fee by the school. This fee will depend upon the activity, the length of time, rooms used and implications for site staff. The school will need to take all this into account before setting a fee.*
- (j) Extended school care activities such as breakfast club, after school club, holiday clubs and 'wrap around' nursery provision. *All extended care will be charged at an agreed rate and parents are requested to pay in advance unless under exceptional circumstances.*
- (k) Charges for materials or ingredients where the pupils wish to have the finished product. *This is unlikely to occur under normal circumstances but a small charge to cover costs of materials would be appropriate.*

The school will also consider circumstances where:

- The proportion of the costs recovered where a charge is to be made;
- Whether any remission is to extend beyond the statutory minimum;
- Whether or not special consideration is to be given to hardship cases not contained within the exemptions and how this is to be determined;

- Arrangements for education where the parents fail to pay the charge being levied by the school. **Headteacher's discretion**
- The level of support from the school budget where the level of voluntary contributions is insufficient to fund the visit or journey. ***Trips cancelled if more than 15% of parents do not pay.***
- The maximum amount that can be used from the school's budget to support community facilities is the amount of the school standards grant allocation; ***This to be raised at the time for a decision depending on activity by the Finance Committee.***
- Any charge for a pupil activity should not exceed the actual cost. If further funds need to be raised to help in hardship cases, this must be voluntary. **Headteacher's discretion**
- For lettings, the charge should at least cover the cost, including:
 - Services (heat & light)
 - Staffing (security, caretaking & cleaning)
 - Administration
 - Wear and tear (sinking fund)
