

## ST. CHAD'S C.E.(C) PRIMARY SCHOOL

### SPORTS PREMIUM FUNDING- REPORTING TO PARENTS

'Building together for a better future.'

The Primary and PE Sport Premium is an allocation of funding to improve the provision of physical education (PE) and sport in primary schools in England.

Schools must spend the funding to improve the quality of the PE and sport activities they offer their pupils, but they are free to choose the best way of using the money.

Schools with 17 or more eligible pupils receive £8,000 and an additional payment of £5 per pupil.

In 2013-2014 St Chads received £5770

In 2014-2015 St Chads received £9120

In 2015-2016 St Chads received £9370

In 2016-2017 St Chads received £9280

Examples of how the funding can be used by the school are below:

- hire specialist PE teachers
- hire qualified sports coaches to work with teachers
- provide existing staff with teaching resources to help them teach PE and sport
- support and involve the least active children by running or extending school sports clubs, holiday clubs and [Change4Life](#) clubs
- run sport competitions or increase pupils' participation in the [School Games](#)
- run sports activities with other schools

### SPENDING OF THE 2016-17 PRIMARY AND PE SPORTS PREMIUM

Governors have allocated funding to:

- The delivery of lunchtime clubs (mass participation) by Premier Sport.
- The delivery of PE by a specialist PE provider. (Premier Sport)
- Development of Play Leaders and provision of Play Leader equipment on the playground.
- Y5 Swimming Booster lessons.
- The development of a Gymnastics curriculum by a specialist teacher.
- Funding to release staff for specialist P.E. training and to attend sporting competitions.
- Purchase of football barriers on the playground to promote positive healthy play on the playground at break and lunchtimes.
- The purchase of drinks bottles for Years 3 and 4 as part of their curriculum topic 'Fitness Academy'
- Joining of the Newcastle Sports' Federation

### OUTCOMES OF THE PRIMARY AND PE SPORTS PREMIUM

Extra lunchtime clubs have taken place (delivered by Premier Sport) which has meant that more children have been involved in physical play and the running of lunchtimes has run smoother.

Lessons have been delivered by Premier Sport, staff observed (training) and lesson plans collected from staff to enable children to be delivered high quality PE.

Equipment purchased for use by KS1 and KS2 Play Leaders on the playgrounds at lunchtimes. This has led to play opportunities for all CHN at lunchtimes.

In addition to curriculum lessons, CHN were identified who would not be able to swim 25m unaided by the end of Y5 without intervention. These CHN all attended extra booster sessions to result in all children in Y5 being able to swim unaided 25m by the end of KS2.

The delivery of gymnastics was identified in the SIP (School Improvement Plan) and the Sports Premium money has been used to hire a specialist Gymnastics coach in writing of a scheme of work which is being used in school.

Staff have attended CPD in PE to increase their skill sets in the subject.

There has been release-time planned to enable staff to accompany teams in competitive inter-school competitions.

Football barriers on the playground have been purchased to promote positive healthy play on the playground at break and lunchtimes.

Children in Years 3 and 4 have all been bought a water bottle. This is to promote a healthy lifestyle and aid them in running a mile a day (part of Fitness Academy curriculum topic).

Joining the Newcastle Sports' Federation enables the school to take part in inter-school competitions against other schools in a competitive environment.
