CLASS ATTENDANCE

Week Ending:

HEADTEACHER'S MESSAGE

Dear Parents,

I hope you all had a wonderful break and I would like to welcome you all back to a new academic year here at St Chad's. Our new staff have all settled in brilliantly to life here at St Chad's and many of you have met them at the 'Meet the Teacher' sessions which have been held this week. As always you can talk to any of our teachers at the end of the school day and if a teacher is unavailable then you are welcome to make an appointment to see them at a convenient time. I am very proud of our younger children in Nursery and Reception who are new to our school. They have tried really hard to be brave and are settling in well. I hope you will all agree that our KS2 children look absolutely fantastic in their ties and so smart! All of the children have come back with a smile and its lovely to hear their stories about their holidays.

Miss Clarke Headteacher

SCHOOL RANGER

Mrs Kirkham will be re-starting her 'School Ranger' role next week, where she will work with small groups of children, carrying our practical tasks such as; painting, gardening, cooking, sewing, woodwork, and cleaning, helping children to experience a vocational approach to learning.

School Crossing Patrol

As you are aware, at the end of the summer term, we had to fight to keep our patrol crossing and won the fight! The council reinstated our patrol. However, our previous patrol lady has now left and we are desperately in need of a new patrol person.

Therefore, please see the advert below:

The Road Safety Service currently has a vacancy at our school for a Crossing Patrol in the morning and afternoon. If you are interested in this post please contact **Mr Paul Hankey on 07966328833** for further information.

On Thursday this week our senior leaders observed our Y6 children carrying out some problem solving activities to see how well they performed in different tasks and from their findings, school has chosen its new Head Boy/Girl and House Captains.

Proposed closure of

A500 Talke

Junction

(Northbound)

As you are probably

aware the Highways Agency are due to carry out major structural bridge repairs at the above junction commencing **Monday 19th**

September continuing through until

Christmas. Unfortunately this will have a severe impact on the amount of traffic using Redstreet Village as a short cut. Congestion

outside our school at certain times of the day is unavoidable and will no doubt increase due to these repairs. If you are able to walk

to school that would clearly be the best option, but one which I fully appreciate is not practical for many people. However, if you are arriving by car I would ask you to allow a

little more time for your journey to compensate for the expected disruption.
