

1. Welcome to Chadley's Club

Dear Parents,

Thank you for choosing Chadley's Club for your child care arrangements. Our club is part of St Chad's C.E. Primary School and its organisation and running is led by our Headteacher and Governing Body. Our vision for Chadley's is that our children feel safe, enjoy themselves and are provided with quality activities which are run by highly skilled staff. With this in mind, we have teamed up with 'Premier' who will deliver our day to day club. Many of you know of 'Premier Sport' (part of Premier) who have worked in school for several years now providing teaching of sport and exciting after school clubs. Premier will continue to provide some of our clubs after school as well as running Chadley's. School will also be providing clubs throughout the year, as usual.

If your child is in Chadley's Club after school, they will still be able to attend any school run clubs and return to Chadley's when this has finished. This will be detailed in any club letters sent home. We do ask that parents do not use our school run clubs as child care instead of booking with Chadley's Club, as this may jeopardise our ability to run Chadley's long term and may result in registration for pupils being refused in the future.

Our governors are working closely with Premier to plan activities for Chadley's which meet with the requirements of our vision.

In addition to our term time provision (which includes staff training days) we will be running Chadley's holiday clubs. These will be detailed on the monthly booking forms.

We do hope your child enjoys being a member of Chadley's club and if any concerns arise, please do not hesitate to contact us.

Yours sincerely

Miss S Clarke
Headteacher

Mr L Jenkinson
