

SEPTEMBER 2020 RETURN TO SCHOOL ARRANGEMENTS

at ST CHADS PRIMARY SCHOOL

1.0 Overview

- i. All children will return in full school uniform. School PE kits to be worn on PE days with school sweatshirt/cardigan.
- ii. Classes (children and staff) will be a bubble and so children can interact with each other, keeping distancing if and where possible.
- iii. At times we will require whole year groups to be a bubble eg if year 3/4 are separated for music lessons- all year 3 will mix and all year 4 will mix. Therefore in this instance we have widened the bubble to the year group but this will be only a few occasions as possible.
- iv. EY will be one bubble although we will keep to our class bubbles as much as possible.
- v. Staff may choose to have a line taped on the floor around your desk or at the front of the classroom which children cannot pass- their choice.
- vi. Staff should keep their head well above the height of children and stand behind them where possible
- vii. Staff should plan how the children will enter and leave the classroom; how the class will line up and how they will need to enter the classroom eg children sitting at tables at the back will be the last to leave and first to re-enter so they need to line up accordingly.
- viii. When children use toilets, staff should check hands are washed/ hand gel applied.

2.0 Classrooms

- i. In years 2-6, desks will all be facing forward with two children to a desk so no children are facing each other- there will be gaps between each table, where possible.
- ii. Staff should try and avoid children passing each other once seated and when moving around the classroom.
- iii. KS2- Every child will have a zippy bag on their desk with their own equipment inside. This will be given to Y3-5 in the first three days and taken with them to their new classes on 7th. **List of equipment to be distributed by Jo.**
- iv. KS1 children have their own pot on the desk with their own equipment.
- v. Exercise books can be kept centrally and given out each day.
- vi. Reading books will be sent home and when returned- placed in a box for decontamination (approx. 6 days) and then returned to the shelf. New books can be taken directly from the bookshelf. EY and KS1 children must have a book bag. KS2 should bring their books in a zippy wallet/ book bag or small bag from home. This does not include large and bulky rucksacks etc.

A small tote bag would be ideal. The children will also be taking home- reading diaries, spelling and homework books.

- vii. For the first half of the autumn term (to start with) children will come to school in their PE kit on the days they do PE (2 x per wk), but will need to wear the correct PE kit (see uniform on our website) and they must wear their school sweatshirt/ cardigan. This will prevent the need to bring in and take home PE kits each week. Parent will be informed of PE days at the start of the autumn term through the class newsletter.
- viii. Children will not bring lunchboxes but bring their lunch in a small bag which can be thrown away or taken home and washed.
- ix. Children will be able to bring a drinks bottle of water to school each day which can be kept on their desk and a piece of fruit for break time. Please note fruit juice will not be provided by school or the DFE at the start of the autumn term.
- x. Disposable cups will be available for children without bottles.
