5th November 2020

Dear Parents of 1M, 2D and 2W,

As part of an ongoing programme of maintenance by the Local Authority we have just been informed that our heating system in the KS1 building is going to be completely replaced. However, the LA have stated that the work must be done now or we will lose the funding to have this work carried out. If we refuse then we may not have this opportunity offered to us again any time in the near future, and so the governors and I have decided to go ahead.

This unfortunately does mean that we will have to **close to the 1M, 2D and 2W classes for the week 16th- 20th November** so that this intrusive work can be carried out safely.

We can only apologise for the short notice but we have only received this news very recently, and this is essential work that we need on our heating system.

The work on the 3/4M classroom will be carried out the week commencing 23rd November, but the 34M children will be moved to another KS2 classroom temporarily and will remain in school. The classroom they will use is not suitable for KS1 pupils and that is the reason we are closing to Y1 and Y2 pupils during the week commencing 16th November.

Whilst the children are at home, the teacher will meet with their class on TEAMS 9:30-10:30 each day to discuss the work which will be on the website each day. On Friday 13th November, the children will come home with an exercise book and a printout of Mondays homework (some teachers may send home all 5 days on Friday 13th and some will post daily). In order to meet on TEAMS, we will require an appropriate email address to send daily invites, so we ask that you return the reply slip below. Please return the slip even if you do not wish to join TEAMS.

Once again, we apologise for the inconvenience. This was a very hard decision and not taken lightly- but ultimately we did not want to miss the opportunity for this work to be carried out by the LA.

Your sincerely,

Miss S Clarke
Headteacher

1M 2D 2W Closure 16-20th November 2020

- My child will not take part in TEAMS meetings each day
- My child will take part in TEAMS meetings each day at 9:30 and the email address to send TEAMS invites is.....
