

BOOK WEEK—ACTIVITY 4

Today is World Book Day. We would like you to design your own bookmark to use inside the book that you are currently reading. This can be decorated however you like: you may want to decorate it with your favourite story characters, or maybe write down some interesting/powerful words from a book, or even quotes from your favourite story, or you may want to transform it into your favourite character. I have inserted some templates on the next page should you wish to use them, and I have also added some ideas below.
