

D&T

Planning a design and making a fabric alien, using various stitching techniques.

MUSIC (Charanga Music)

Composing and playing glockenspiels:

- Make you feel my love.
- Fresh Prince of Bel Air.

MODERN FOREIGN LANGUAGE - FRENCH

- Food including expressing opinions, instructions and healthy/unhealthy.
- Directions and places in towns, saying when/where you are going.

HISTORY

A look at the changing beliefs, attitudes and culture of Britain from 1945 up to the present day, with consideration for which events and decades have had the biggest impact on life in Britain today. Work will include particular focuses on the Windrush Generation and the 1960s.

SCIENCE

- Earth and Space: understand the celestial and planetary movements within the solar system, focusing on the Sun, the Moon and the Earth (and will include understanding night and day, the seasons, and the impact the Moon has on life on Earth).
- Materials and their properties: investigate the properties of materials, such as hardness, solubility, transparency, conductivity and response to magnets. Carry out a wide variety of investigations to discover how materials behave and react, and develop measuring and recording skills through such tasks.

MATHS

Shape - Looking at fashion prints of the 1970s and how they use reflection, tessellation and rotating patterns.

Money - Finding out the cost of everyday items over the past 80 years.

YEARS 5 & 6 SPRING 2020-21 NEW GENERATIONS

ENTRY POINT

Class timeline of major events in Britain since 1945.
