- Making badges for Eco Groups
- Design and make musical instruments out of rubbish
- Recycle paper and pulp
- Sewing and textiles
- Create class wind farm—make wind turbines.

Music-

- Make music from rubbish (Stomp!)
- 'Recycle it, Recycle it!' Song
- Write and perform own rap about recycling
- Identifying the beat

PE-

- Gymnastics—'Storyland' and 'Jungle' units
- Outdoor—dribbling, kicking and hitting.
- Making games

PHSE-

- Class pledge
- Work on being energy stars—helping our planet.
- Feelings from Eco texts
- Understanding the consequences of actions in relation to the environment.
- Questions for Eco Council and related organisations
- Recycling— packaging, signs
- Debating environmental issues

RE-

- Stories Jesus told
- Stories from other religions

Geography-

- Energy sources, litter/ recycling, deforestation/ endangered species
- Teams—litter, transport, water, energy
- Reuse, Reduce, Recycle
- Using compass directions.
- Looking at hot and cold areas of the Earth.

History-History behind extinction— The Dinosaurs. Timelines and differences between now and then.

Science-

- Variation—how plants and humans are the same and different to one another.
- Plants—planting a seed in relation to 'The Lorax' and monitor growth.

Entry Points

- Watch 'The Lorax'
- Discuss what we need to survive.

Visits/Events

- Visit to Catalyst Science Museum
- Eco council to give a talk to the class.
- Visit from Severn Trent Water to discuss

Challenge

- Eco Presentation to parents—rap, musical instruments etc.
- Litter picking
- No Power Hours

Maths

- Making graphs from traffic survey
- Sorting on a Carroll Diagram and Venn Diagram.

Literacy

- Non chronological reports— endangered species, deforestation and animals.
- Different stories on a similar theme— Michael Foreman texts—'Dinosaurs and all that rubbish' and 'One World'
- Poetry —rap on eco theme—expressive, performance poetry.
- Explanations— on how to recycle.

ICT- Multimedia/ photo story—using digital cameras—write a story on how to be energy stars.

Making a video—Eco Friendly advert

SMSC-Moral—looking at how to save planet
Spiritual—creation story—the awe of nature
Social—working together to save the planet.
Making a class pledge.
