

CHARACTER EDUCATION

Key vocabulary

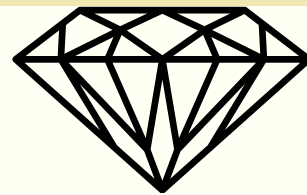

Me in the World Cycle A Year 5/6 Spring 1

What I already know:

- What a responsibility is and responsibilities that I have.
- Responsibilities that people have to the environment.
- How people campaign for their rights and other people's rights.

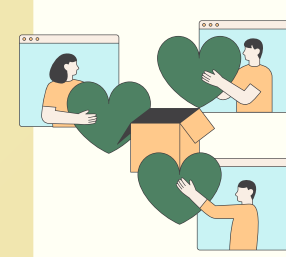

Gems of knowledge

I will be able to:

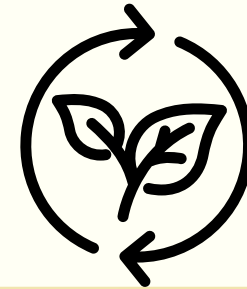

- Name a range of groups and what they may be for.
- Present findings to other people.
- Plan something to start to fix issues that interest me.
- Ask appropriate questions to find out more information on something.
- Understand how the media present information.
- Identify skills I have used in a project.

Pressure group

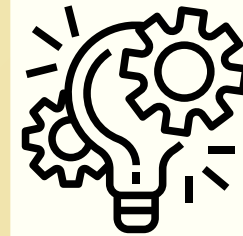

A group of people who work together to try to change something or make others take action.

Sustainability

Using things in a way that doesn't harm the environment, so people in the future can use them too.

Project

A planned task or activity where you work toward a goal, often over time.

Media

Ways of sharing news and information, like TV, newspapers, social media, and websites.

Voluntary

Something you choose to do because you want to, not because you have to or for money.

Responsibility

A duty to do something or take care of something, often because others are counting on you.

I can read

British Values

- Respect
- Individual Liberty
